Our Story

“Spanish River Christian School (SRCS) has experienced tremendous growth since 1980 when Spanish River Church founding pastor, Dr. David Nicholas, and church leaders commenced the formation of a Christian day school. In the autumn of 1982, Spanish River Christian School opened its doors for the first time, offering classes in first and second grades with a total enrollment of 16 students. Since then, the School has been on a mission to educate preschool through 8th grade students spiritually, socially, and academically.

Through a program of academic excellence, artistic engagement, and athletic distinction, the School develops its students in mind, body, and character into young people who are ready and able to make a positive difference in the world around them. Today, more than forty administrators and teachers bring their expertise, commitment, and care to every conversation and teaching moment, in the classrooms, in Chapels and on stages, on playing fields, and beyond, to ensure that our students develop into the best version of themselves.”

Our Vision

From the very beginning, Spanish River Christian School has remained diligent in educating and empowering the next generation of Christian leaders. We are passionate about our mission and desire to witness our students graduate to higher education with a strong foundation of Christian faith. Our success hinges firmly on the success of our Alumni, and we celebrate their achievements and accolades alongside them. With the support of our sponsors, we remain dedicated to offering a low-cost, private Christian education designed to enrich minds, engage hearts, and empower leaders to impact the world for Christ.

Shared Values

SRCS is committed to providing quality programs and facilities for its students while striving to keep the cost of tuition low for their families. We require financial support over and above tuition to fund special projects and programs.

The Lord has blessed Spanish River Christian School with involved parents, excellent teachers, and a supportive church community. As we look to the future, it's exciting. With the Lord's help, let's work together to reach our goals.

Why Sponsorship Matters?

As a non-profit, 501(c)(3), we rely on the generosity of individuals and businesses for support of many special initiatives to further our mission and vision. We hope you will consider becoming a sponsor. While our school benefits from your sponsorship, you receive visibility for your business and the goodwill that comes as a result of your generosity. Thank you very much for being part of the future growth of our school. We appreciate your connection with SRCS.
